

## Project description - Gross capacity: 3 MW

Municipality: **AUGUSTA (SR)**  
 Solar park denomination: **LUTRI - 2**

### Geodata

|                     |                |                |
|---------------------|----------------|----------------|
| Coordinates:        | 37°15'13.00" N | 15°10'19.00" E |
| Land identification | Sheet 49       | Parcels 20,27  |
| Surface:            | 7,6 ha         |                |

### Land Agreement

|                           |                |
|---------------------------|----------------|
| Annual rent:              | 45.000 € total |
| Land Agreement signed on: | 15/04/2011     |

### ENEL data

|                            |             |
|----------------------------|-------------|
| ID number STMG:            | 17000       |
| Connection request sent on | 25/09/2008  |
| STMG obtained on           | 01/12/2008  |
| Acceptance on              | 15/12/2008  |
| Distance connection point  | 250 m       |
| Cabin Enel                 | Inside land |

### Authorization process

|           |            |                 |            |
|-----------|------------|-----------------|------------|
| AU Decree | Jan 2012   | Request sent on | 12/08/2009 |
| Last CdS  | 11/11/2011 | Status          | Concluded  |

### "Nulla Osta"

|                                 |            |                                |            |
